CAUSE

On September 9, 2020, Mr. Gonzalez-Torres appeared for his initial appearance and was ordered released to Pretrial Services supervision with special conditions, to include location monitoring, stand-alone monitoring component with Smartlink technology. Since Mr. Gonzalez-Torres commenced the location monitoring program on September 10, 2020, he had a few technical violations including late check ins. He quickly regained compliance and has been consistently checking in on time. Mr. Gonzalez-Torres is currently employed in the concrete business. He lives alone and maintains stable housing. He is responsive when I have contacted him and maintains regular contact. Due to his compliance, it is respectfully recommended that Mr. Gonzalez-Torres' bond condition be modified deleting the location monitoring condition.

I consulted with Assistant United States Attorney, Stephen Hobbs, and he objects to the request for modification and requests a hearing. Defense counsel, Scott Englehard, has been advised and he concurs with the modification request.

I swear under penalty of perjury that the foregoing is true and correct.

Executed on this 9th day of February, 2021.

Julie Jansen
United States Probation Officer
